

David's old black and white photos "meet" AI

What color blouse David wore during this photoshoot remains a mystery.

The AI algorithm decides!

The following photos are from the David
McWilliams advertisements in the
New Musical Express October 1967.

The photos on the right are the result of, among
other things, removing text and the block in the
upper left corner.

SEE WHAT THEY SAY

"One of the year's most outstanding LPs. This boy is going to be around for a long time. I hope he makes some singles which will deservedly take him into the charts." "DAILY MIRROR" COLUMNIST DON SHORT

"In my job I hear new singers almost daily, but David McWilliams is no flash in the pan. This collection of songs is one of the finest albums this year — and one for my library." "DAILY SKETCH" WRITER MIKE HOUSEGO

"There is a magical brilliance that lifts the whole thing into the sky. Put this record on your player and you will understand the ravings".
